

7 MOUNTAINS CBD COOL + HEAT MUSCLE GEL

PRODUCT DESCRIPTION

This amazingly effective muscle gel provides a powerful cold+hot sensation. Created by cooling menthol and warming capsicum and camphor oil, 7 Mountains Muscle Gel has proven to be an effective addition to the widest possible range of Use Cases amongst our wholesale clients.

Camphor and Menthol draw blood to the surface of the skin, naturally creating an immediate warming sensation and pain relief. The industry-leading concentration of 1,000 mg of CBD per ounce provide prolonged benefits for issues ranging from soreness due to overuse to joint pain.

7 Mountains Cool + Heat Muscle Gel (with and without CBD) has been a best seller in ever industry segment since its initial introduction into our line years ago
